AAS Degree Culinary Arts	NA*	79%	0% (NA)	43.61%	NA**	0% (NA)

\*Campus not open during cohort year needed to calculate graduation rates

\*\*As of 8/13/2019 there has not been enough time (at least 9 months after 12/31/2018) to collect placement data for 2018 graduates

*Graduate Rate* is the percentage of the cohort of students who started the program and graduated within 150% of the expected program length. The graduation rates for the Norfolk location are based on a subset of the data submitted to IPEDS for ECPI University. The 2018 graduation rate for the Newport News location is based on the same formula, using a 2014 cohort, as the location was not open during the 2012 IPEDS cohort year. The 2017 graduation rate is not available, as the location was not open long enough to be able to calculate a 150% graduation rate.

*Job Placement Rate* is the percentage of students that are employed in their field of study within nine (9) months of graduation.

### 150% Graduation Rate (GR)

#### Norfolk Location

##### **2018-2019 IPEDS Data Collection**

2012 Cohort - 60.3%

##### **2017-2018 IPEDS Data Collection**

2011 Cohort - 57.7%

#### Newport News Location

##### **2018**

2013 Cohort - 43.6%

##### **2017**

2012 Cohort - Not Available (location not open)

## 8 YR GR (Outcome Measures GR)

### **2018-2019 IPEDS Data Collection\***

2010-2011 Full-year Cohort - 50.3%

### **2017-2018 IPEDS Data Collection\***

2009-2010 Full-year cohort - 49.1%

*\*Only Norfolk Location open during above cohort years*

## Institutional Effectiveness Three-term Cohort Retention Rates
