

Category III

Associate of Applied Science  
Information Management (1AUY)

Bachelor of Science in Business Administration  
General Business Concentration

The Bachelor of Science in Business Administration requires completion of 121 credits. The Program Guide below outlines how courses completed in the Associate of Applied Science in Information Management program through the Community College of the Air Force may apply to required ECPI courses. ECPI University must receive official transcripts directly from Air University before Official credit may be awarded. ECPI University will review all credits earned through the Community College of the Air Force (CCAF) to apply the greatest possible number of credits to one of our approved AU-ABC bachelor's degrees. As a Category III institution, ECPI will require CCAF AAS graduates to complete more than 60 semester hours of credit beyond the AAS and meet all other AU-ABC degree program requirements. Credit is awarded for courses completed within the last ten years that meet the required credit amount for the corresponding ECPI course listed. General education coursework applied to the earned AAS degree may be eligible to transfer without a time limitation and must meet all other ECPI transfer eligibility criteria to be awarded. ECPI University must receive official transcripts directly from the institution where the general education coursework was completed before Official credit may be awarded. This information is provided as a guide, an official course-by-course evaluation of specific transfer credit will be completed at the applicant's campus location at the time of enrollment.

**Arts and Sciences Curriculum (31 Credits Required)**
